The Milwaukee Radio Amateurs' Club, Inc.,
Frank J. Jutrash, Convention Chairman,
385 11th Ave. Apt. 5,
Milwaukee, Wisconsin.

Gentlemen:

This will acknowledge your letter of April 3rd in which you inform us that the Central Division of the A.R.R.L. Convention is to be held in Milwaukee on Friday, Saturday, and Sunday, May 25th, 26th and 27th.

We are pleased to cooperate with you in making your convention a success and are mailing you under separate cover twenty of our mica moulded condensers. We are very sorry but we will be unable to take any of the advertising space as offered in your letter.

✓ We are always interested in the up to the minute items of what these groups are doing and would very much appreciate an outline of your meeting with relation to the members who are to make the speeches.

Will you kindly send us one of your programs?

Yours very truly,

SANGAMO ELECTRIC COMPANY
